Allowed claims: 67-81 and 83-88

Examiner's Comments

For applicant's information, the attachments of the previous Notice of Allowance mailed May 18, 2006, are not included with this action since they are already part of the application file.

Response to Arguments

Applicant's arguments, see Remarks and Declaration, filed August 8, 2005, with respect to claims 67-81 and 83-88 have been fully considered and are persuasive. Specifically, the Declaration under 37 CFR 1.132 filed August 8, 2005 is sufficient to overcome the rejection of independent claim 67 based upon Roffman et al. The Examiner's basis for allowability for independent claim 67 is the same as those set forth within that Response. The rejection of claims 67-81 and 83-88 has been withdrawn.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
